10           In the interest of a prompt and judicious resolution of the above-captioned matter  
11 before the Arizona State Board of Technical Registration (“Board”) and consistent with  
12 the public interest, statutory requirements, and the responsibilities of the Board, and  
13 pursuant to A.R.S. § 32-101 *et seq.*, and A.A.C. R4-30-120(G), the undersigned party,  
14 Christopher Coffey, Non-Registrant, (“Respondent”) and ECAMSECURE, Inc.,  
15 (“Respondent Alarm Business”), holder of Certification No. 24852, and the Board enter  
16 into the following Recitals, Findings of Fact, Conclusions of Law and Order (“Consent  
17 Agreement”) as a final disposition of this matter.

18   **RECITALS**

19           1. Respondent has read and understands this Consent Agreement and has had  
20 the opportunity to discuss this Consent Agreement with an attorney, or has waived the  
21 opportunity to discuss this Consent Agreement with an attorney.

22           2. Respondent understands that he has a right to a public administrative hearing  
23 concerning this case. He further acknowledges that at such formal hearing he could  
24 present evidence and cross-examine witnesses. By entering into this Consent Agreement,  
25 Respondent knowingly, voluntarily, and irrevocably waives his right to such an  
26 administrative hearing, as well as rights of rehearing, review, reconsideration, appeal,  
27 judicial review or any other administrative and/or judicial action concerning the matters  
28 set forth herein.

1           3. Respondent affirmatively agrees that this Consent Agreement shall be  
2 irrevocable.

3           4. Respondent understands that this Consent Agreement or any part of the  
4 agreement may be considered in any future disciplinary action by the Board against him.

5           5. The Consent Agreement, any record prepared in this matter, all investigative  
6 materials prepared or received by the Board and all related exhibits and materials, are  
7 public records upon acceptance by the Board of this Consent Agreement and may be  
8 retained in the Board's files pertaining to this matter.

9           6. Respondent understands this Consent Agreement deals with Board case  
10 number AL23-011 involving allegations that Respondent engaged in conduct that would  
11 subject him to discipline under the Board's statutes and rules. The investigation into  
12 these allegations against Respondent shall be concluded upon the Board's adoption of  
13 this Consent Agreement.

14           7. Respondent understands that this Consent Agreement does not constitute a  
15 dismissal or resolution of any other matters currently pending before the Board, if any,  
16 and does not constitute any waiver, express or implied, of the Board's statutory authority  
17 or jurisdiction regarding any other pending or future investigation, action or proceeding.

18           8. Respondent also understands that acceptance of this Consent Agreement does  
19 not preclude any other agency, subdivision, or officer of this State from instituting any  
20 other civil or criminal proceedings with respect to the conduct that is the subject of this  
21 Consent Agreement.

22           9. Respondent acknowledges and agrees that, upon signing this Consent  
23 Agreement and returning this document to the Board's Executive Director, he may not  
24 revoke his acceptance of the Consent Agreement or make any modifications to the  
25 document regardless of whether the Consent Agreement has been signed on behalf of the  
26 Board. Any modification to this original document is ineffective and void unless  
27 mutually agreed by the parties in writing.

28

1 10. This Consent Agreement is subject to the approval of the Board and is  
2 effective only when accepted by the Board and signed on behalf of the Board. If the  
3 Board does not accept this Consent Agreement, the Board retains its authority to hold a  
4 formal administrative hearing pursuant to A.R.S. § 32-128(E). In the event that the  
5 Board does not approve this Consent Agreement, it is withdrawn and shall be of no  
6 evidentiary value and shall not be relied upon nor introduced in any action by any party,  
7 except that the parties agree that should the Board reject this Consent Agreement and this  
8 case proceeds to hearing, Respondent shall assert no claim that the Board was prejudiced  
9 by its review and discussion of this document or any records relating thereto.

10 11. If a court of competent jurisdiction rules that any part of this Consent  
11 Agreement is void or otherwise unenforceable, the remainder of the Consent Agreement  
12 shall remain in full force and effect.

13 12. Respondent understands that any violation of this Consent Agreement may  
14 result in disciplinary action, including suspension or revocation of the registration under  
15 A.R.S. § 32-150.
